NEW DATA ANALYTICS BUNDLE

STOP THE CHAOS!
Learn How to Effectively Manage Your Organization’s Data

Letting any of your organization’s data slip through your fingers can cost you. It’s why creating an effective data mining and analytics framework is critical.

The IIA Bookstore, powered by the Internal Audit Foundation, is offering a new data analytics bundle that stops the chaos of information overload and helps you:

- Develop a data analytics framework to accomplish multiple audit objectives.
- Enhance internal audit efficiency through the use of data mining and analytics.
- Eliminate duplicate data mining and analysis efforts across audit and other functions.
- Determine the optimal effort needed to maximize your framework.

With these two publications, *Data Analytics: Elevating Internal Audit’s Value* and *Data Analytics: A Road Map for Expanding Analytics Capabilities*, you will receive a step-by-step approach to accomplishing all of this while also saving money. Add this book bundle to your library today and save!

BUY YOUR BUNDLE TODAY!
Visit www.theiia.org/DABundle

With insightful input from internal auditors around the world, The IIA’s updated *International Professional Practices Framework®* (IPPF®), or “Red Book,” is more relevant than ever and should be a staple for all audit practitioners as they strive to align with improvements to the framework that steer the profession.

Enhancements include the new Mission of Internal Audit, Core Principles for the Professional Practice of Internal Auditing, two new standards, alignment of the Standards to the Core Principles, and updates to existing standards.

The user-friendly guide includes an intuitive table of contents, well laid-out pages, and a quick reference index. In addition, your purchase of the hardcover edition comes with a USB drive containing all Supplemental Guidance. Also available as an eBook with enhanced search capabilities.

Sawyer’s Guide for Internal Auditors, 6th Edition

First published in 1973, Larry Sawyer’s work has guided many internal auditors and shaped the profession. While the foundation principles remain core, the ever-changing global business environment requires adaptation to avoid becoming obsolete. The original work has expanded into a 3-volume set, making the content more navigable for the reader, and each volume includes an index and glossary for easy reference.

Item No. 1099
Member Price: $198.39
Nonmember Price: $247.99

Quality Assessment Manual for the Internal Audit Activity, 2017 IPPF Aligned

Revised to incorporate requirements of The IIA’s International Professional Practices Framework (IPPF) and the update to the International Standards for the Professional Practice of Internal Auditing effective Jan. 1, 2017. This is a valuable resource for all organizations with a Quality Assurance and Improvement Program or for those entities responsible for conducting external assessments.

Item No. 1256
Member Price: $230.00
Nonmember Price: $285.00

Audit Reports: Communicating Assurance Engagement Results

As internal audit’s value shifts from a retrospective view to a forward-looking perspective, internal auditors are expected to adapt with innovative methods. Stakeholders need clear and concise reports that prioritize engagement observations based on urgency and impact. This new guidance supports practitioners in writing reports that resonate with stakeholders and effectively communicating key messages in a timely manner.

Item No. 1235.dl
Member Price: Free
Nonmember Price: $25.00

Applying the IPPF, 4th Edition

With practical guidance on how to put The IIA’s International Professional Practices Framework (IPPF) into action, this edition reflects the 2017 revisions to the International Standards for the Professional Practice of Internal Auditing, the Core Principles, and the Implementation Guides. The authors take two new approaches — looking at internal audit application of the IPPF through a maturity model lens and from the perspective of small audit departments. They review basic information on the essential elements required for providing high-quality internal audit services, discuss in depth those elements representing significant change, and provide specific practical tools and techniques.

Item No. 1275
Member Price: $59.99
Nonmember Price: $69.99

Visit www.theiia.org/Bookstore for more details and additional resources.
Storytelling with Data: A Data Visualization Guide for Business Professionals

Storytelling is not an inherent skill, especially when it comes to data visualization, and the tools at our disposal don’t make it any easier. This book demonstrates how to go beyond conventional tools to reach the root of your data, and how to use your data to create an engaging, informative, compelling story.

Item No. 6384
Member Price: $39.95
Nonmember Price: $39.95

Internal Audit Practice from A to Z

Blending professional practice with theory, this book addresses the practice of internal auditing using GAAS (Generally Accepted Auditing Standards), GAGAS (Generally Accepted Government Auditing Standards), and The IIA’s International Standards for the Professional Practice of Internal Auditing. It guides internal auditors in the process and procedures necessary to carry out professionally accepted internal audit functions, and features a rich array of forms, figures, tables, reports, and more making it a useful reference tool.

Item No. 6392
Member Price: $79.95
Nonmember Price: $79.95

People-Centric Skills: Interpersonal and Communication Skills for Auditors and Business Professionals

This is both a comprehensive how-to guide and the story of a leading internal audit department taking that next step to becoming a world-class audit organization in a fictional company. The foundation of that next step is developing People-Centric Skills. The book demonstrates the impact that interpersonal and communication skills — whether good or bad — have on an auditor’s effectiveness, job, and career.

Item No. 6342
Member Price: $43.19
Nonmember Price: $53.99

Lean Auditing: Driving Added Value and Efficiency in Internal Audit

Written for board members, senior managers, finance professionals, and internal auditors, this book offers an important resource that clearly demonstrates the use of Lean principles and techniques to both inspire and support internal auditing to better understand what it means to add value and to drive out unproductive activities. Apply the core principles of Lean Auditing to focus on what provides value to customers and eliminate unnecessary work.

Item No. 6378
Member Price: $50.00
Nonmember Price: $50.00
Auditing the Procurement Function, 2nd Edition

This second edition covers topics that have grown in importance in the decade since the first edition — the tremendous increase of outsourcing and offshoring and technological advances, including artificial intelligence. It offers practical advice for auditing the procurement function and is relevant for all types and sizes of organizations globally.

Item No. 1257
Member Price: $49.99
Nonmember Price: $64.99

Message, Brand, and Dollars: Auditing Marketing Operations

When it comes to marketing and internal auditing, most people don’t envision the two departments as part of a collaborative effort for the good of the organization. Marketing is the pie-in-the-sky service where creativity trumps controls every time. Internal audit is the down-to-earth activity where common sense drives the mitigation of risks. This book shows how these two opposites can work together to drive an organization’s marketing success.

Item No. 1258
Member Price: $29.99
Nonmember Price: $39.99

With more detail and examples of customer mapping and enterprise risk management (ERM), this second edition focuses on how objectives, risks, and key performance indicators are fundamental to understanding and analyzing processes. Its case studies and tools, including RACI matrices, “spaghetti” maps, and control flowcharts, enhance the basic work done enabling auditors to successfully use mapping, achieving a more robust approach to process analysis.

Item No. 6073
Member Price: $67.19
Nonmember Price: $83.99

Essentials: World-Class Tools for Building an Internal Audit Activity, 2nd Edition

Available in a convenient CD/DVD, internal audit departments can upgrade, refresh, and revitalize their internal audit manual and download as many of the copyright-free documents provided as desired to update, revise, blend, and customize for their own use. Organizations in the private and public sectors at any stage of maturity will find valuable resources to upgrade their internal audit function to a world-class standard, adding enterprisewide value and a greater capacity to meet stakeholder expectations.

Item No. 1215
Member Price: $249.99
Nonmember Price: $349.99

New insights from the SEC, PCAOB, and The IIA prompted award-winning author Norman Marks to update his book, Management’s Guide to Sarbanes-Oxley Section 404. The new edition includes information intended to keep CEOs, CFOs, and anyone who signs off on required internal control-related reports from running afoul of guidelines.

Item No. 1271
Member Price: $44.99
Nonmember Price: $59.99

CAE Strategic Relationships: Building Rapport with the Executive Suite

This award-winning insightful collection of case studies shows CAEs how to build and leverage their relationship with the executive suite for better organizational outcomes. It uses the relational coordination framework to uncover the core elements of successful business relationships for CAEs and their executive suite counterparts. Explore the revelations of candid observations from CAEs and CEOs at large organizations in the U.S. and Europe.

Item No. 5024
Member Price: $47.99
Nonmember Price: $59.99

Driving Audit Value (Vol. I): Audit Function Strategy

Audit Function Strategy differs from all the other books about internal audit in the way it combines the theoretical knowledge and the best practice frameworks with the practical experiences of a seasoned CAE. This is the first and only book that develops a clear strategy for the internal audit function, as it reflects on auditing from an entirely new perspective by defining its added value.

Item No. 6388
Member Price: $78.49
Nonmember Price: $78.49
Trusted Advisors: Key Attributes of Outstanding Internal Auditors

Trust is crucial to internal audit’s success. It is how we are able to be heard and effect positive change on critical issues. Award-winning author Richard Chambers, president and CEO of The IIA, taps the insights of an array of leading internal auditors and, from their experiences, provides insights into the traits that characterize outstanding internal auditors and those who have also earned a “seat at the table.”

Item No. 1224 Soft Cover / Item No. 1252 Hard Cover
Member Price: $19.99-$24.99

GREAT Ways to Motivate Your Staff: Shaping an Audit Team that Adds Value and Inspires Business Improvement

Effective CAEs position their internal audit departments to add value and inspire business improvement by maximizing the productivity and contribution of their internal audit colleagues. This report provides insights on how CAEs and other audit leaders can improve their practices for evaluating and motivating internal auditors. Learn strategies for goal setting, retaining talent, equipping employees, assessing performance, and treating success.

**CRMA Study Guide Book and Exam Study Questions Bundle**

Prepare to pass the Certification in Risk Management Assurance® (CRMA®) exam with this study guide and exam practice questions book that cover all four official exam domains. The CRMA Exam Study Guide serves as an aid to taking the exam and enhances your knowledge of risk management assurance for audit-related activities. Exam Practice Questions includes practical, scenario-based questions as well as those of a theoretical nature.

Item No. 1210
Member Price: $87.99-96.79

---

The IIA’s Certified Government Auditing Professional® (CGAP®) credential prepares auditors to skillfully manage challenges related to everything from budget constraints to political and public pressures. The CGAP Exam Study Guide, 4th Edition, has been updated and revised to give you a comprehensive and highly readable guide for passing the exam.

Item No. 1100
Member Price: $79.99
Nonmember Price: $99.99

---

**Certified Financial Services Auditor (CFSA) Study Guide**

Earning your Certified Financial Services Auditor® (CFSA®) designation from The IIA is the best way to demonstrate your commitment to advancing in this competitive niche and communicating your breadth of knowledge. This 2-volume study guide will help you prepare to pass the CFSA examination. It is also available in Spanish as a workbook.

Item No. 1011
Member Price: $51.99
Nonmember Price: $64.99
Gleim CIA Review System: 3-Part Set – Online

This study guide will prepare you to pass the exam and take the next step in advancing your career. The Traditional CIA Review System is available as a set and is also offered for each individual part. You will experience a flexible, easy-to-follow, 3-step study approach, but with less guidance than the Premium CIA Review System.

Item No. 6366
Member Price: $799.99
Nonmember Price: $799.99

Certification in Control Self-Assessment (CCSA) Study Guide

Earning the Certification in Control Self-Assessment® (CCSA®) is the best way to demonstrate your commitment and knowledge of CSA fundamentals. The guide provides a general overview of the topics that will be covered in the four exam domains. However, it is suggested that candidates perform additional study in areas where experience or background dictate the need for additional review.

Item No. 1170
Member Price: $51.99
Nonmember Price: $64.99

The IIA’s CIA Learning System – 3-part study guide with online review

The IIA’s CIA Learning System® is a comprehensive and interactive CIA review program that teaches and reinforces the entire exam syllabus in a flexible, on-demand format. It combines reading materials, in printed and electronic formats, with online tests and study tools to ensure you are prepared to pass the CIA exam and armed with critical tools and knowledge to excel in your internal audit career.

Managing Risk in Uncertain Times: Leveraging COSO’s New ERM Framework

In today’s business environment, risk can come from all directions and knowing where to turn for guidance can be challenging. Author and ERM expert Paul Sobel helps internal auditors and risk managers understand the implications of COSO’s Enterprise Risk Management – Integrating with Strategy and Performance.

Sobel explains how to use the COSO ERM Framework as an evaluation tool and highlights the alignment of the updated framework with The IIA’s latest IPPF and implementation guidance.

Item No. 1278  
Member Price: $49.99  
Nonmember Price: $59.99

COSO Enterprise Risk Management: Integrating with Strategy and Performance

The updated framework helps organizations stay several moves ahead of the game in today’s volatile, complex, and ambiguous ERM landscape focusing on ERM challenges and evolving expectations that business leaders and boards face, highlighting the importance of ERM in strategic planning and emphasizing embedding ERM throughout an organization.

Item No. 6405  
Member Price: $129.99  
Nonmember Price: $169.99

Practical Enterprise Risk Management: Getting to the Truth

Rather than wasting time mulling over theories, this book delivers “how-to” applications of ERM methods that work and step-by-step descriptions of two practical ERM approaches. Based on the more than 20 years and estimated 40,000 hours of ERM experience of author Larry Baker, the book offers concise, focused, and practical guidance for those interested in initiating, executing, and evolving ERM, regardless of experience level. It also includes support forms, tools, and customizable templates.

Item No. 1279  
Member Price: $119.99  
Nonmember Price: $149.99

Fraud Risk Management Guide

Issued by COSO, this guide offers guidance that defines principles and points of focus for fraud risk management and describes how organizations of various sizes and types can establish their own effective and efficient fraud risk management program. It also includes examples of key program components and resources that organizations can use as a starting place to develop their own program.

Item No. 6381  
Member Price: $55.20  
Nonmember Price: $69.00
Assessing and Managing Strategic Risks: What, Why, How for Internal Auditors

Designed to provide internal auditors with sound, practical advice that can better enable them to meet the critical challenge of today's dynamic risk environment. The primary focus is on two key processes: the assessment of strategic risks and strategic risk management. Content outlines frameworks on strategy, strategic risks, and a basic strategic risk assessment methodology.

Item No. 1270
Member Price: $44.99
Nonmember Price: $54.99

Performance Auditing: Measuring Inputs, Outputs, and Outcomes, 3rd Edition

Developed for the practitioner and trainer, it emphasizes the use of measurement and comparison in performance assessment. Gleaning from leading standards from the U.S. Government Accountability Office (GAO), the International Organization of Supreme Audit Institutions (INTOSAI), and The IIA, this valuable resource provides concepts and best practices to execute a performance assessment.

Item No. 1233
Member Price: $109.99
Nonmember Price: $139.99

Internal Audit Capability Model (IA-CM) for the Public Sector

Designed for the public sector, this book serves as the global model for communicating what is meant by effective internal auditing and how it serves an organization and its stakeholders — and for advocating the importance of internal auditing to decision makers. It is also a framework for assessing the capabilities of an internal audit activity against professional internal audit standards and practices, either as a self-assessment or an external assessment.

Item No. 1272
Member Price: $29.99
Nonmember Price: $39.99

It’s critical that professionals continuously refine their skills and knowledge to assess risk. Internal auditors at all levels and functions will gain confidence and be prepared to conduct risk assessments, and be armed with step-by-step guidelines on how to use a risk assessment to create an audit plan, and the merits of alignment with business objectives. Purchase includes a comprehensive resource package with customizable templates and other useful elements.

Item No. 1280
Member Price: $119.99
Nonmember Price: $149.99
