BOOK OF THE MONTH

Quality Assessment Manual for the Internal Audit Activity, 2017 Edition

This new edition is aligned with 2017 International Professional Practices Framework® and provides tools to streamline the QAIP process — from collection and analysis through completion, and identification of issues to final report prep. Not only does the update capture required changes in professional guidance, it incorporates insights of internal audit professionals from around the world.

This is a valuable resource for every organization's Quality Assurance and Improvement Program or for those entities responsible for conducting external assessments. It is a must-have reference for every internal audit activity's resource library.

Member Price: \$230.00

Nonmember Price: \$285.00
